

In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com. Do you feel constantly tired, get killer headaches or have ADHD? Do you worry about the onset of dementia or Alzheimer's in later life? Kick your sugar habit; ditch the carbs; and say goodbye to these, and many other health problems. Grain Brain is a detailed examination of the many negative effects gluten, sugar, and grains can have on the body, and more specifically on the human brain. Internationally renowned neurologist, Dr David Perlmutter guides us through the medical research to demonstrate the undeniable link between poor diet and brain dysfunction; and offers us a surprising and pleasing alternative: fat! You will learn:Â· How our society's addiction to carbohydrates and sugar is contributing to the staggering rise in illnesses, such as obesity, diabetes, and Alzheimer'sÂ· Why fat is your friend, not the enemyÂ· What dietary choices you should make to take control of your health and avoid a staggering range of complaints.
