

Volume 1 of The Emma Trilogy Emma Dalton wants to have a memorable summer before starting college at BYU, but she stumbles into more than she ever thought possible. Emma starts the summer looking for Mr. Right at local dances, and by the end of the summer she is dancing in his arms. David North is everything shes ever dreamed of, but there is a slight problem - he lives in the 1860s! Emmas desire to uncover the truth about a mysterious ancestor sends her on an errand for the Lord in a place shes never imagined - the untamed West of the 19th century. An accident catapults Emma back among her forefathers. A chance meeting with Brigham Young puts her on track to find the answers she seeks but she must first survive a dangerous trip on horseback to lawless Denver, and escape the evil men seeking to thwart her mission. The journey, however, allows her to find true love and build a family bond that spans generations. But Emma doesnt know how - or if - shell return to modern times. Is she meant to live her life in the 1860s with David? And if she does stay, what will happen to the family history information she has sacrificed so much to recover?

Introduction to Logic, The Mummy Makers Daughter: A Novel in Ancient Egypt, Will Smith (Todays Superstars (Library)), Sniper Rifles: From the 19th to the 21st Century by Martin Pegler (Nov 23 2010), Prayer: Believe to Receive,
