

Excerpt from Old Panama La mayor cosa, despues de la creacion del mundo, sacando la encarnacion y muerte del que lo crio, es el descubrimiento de las Indias. Francisco Lopez de Gomara, 1552. Il ny point eu deuenement aussi interessant pour lespece humaine en general, & pour les peuples de l'Europe en particti-lier, que la decouverte du Nouveau-Monde & le passage aux Indes par le cap de Bonne-Esperance. Alors a commence tine revolution dans le commerce, dans la puissance des nations, dans les moeurs, l'industrial & le gouvernement de tous les peuples. Cest a ce moment que les hommes des contrees le plus eloignees se sont rapproches par de nouveaux rapports & de nouveaux besoins. Les productions des climats places sous lequateur, se consomment dans les climats voisins du pole; l'industrie du Nord est transportee au Sud; les etoffes de l'Orient sont deuenues le luxe des Occidentaux; & par-tout les hommes ont fait un echange mutuel de leurs opinions, de leurs loix, de leurs usages, de leurs maladies, de leurs remedes, de leurs vertus & de leurs vices. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
