

Medical - Surgical RN Nursing Skills DVD is a fully navigational disk with demonstrations, graphics, and a step-by-step review of twenty common nursing procedures. Contains over 150 minutes of nursing procedures such as indwelling urinary catheter insertion, venipuncture, stoma care, intramuscular injection, and other patient safety applications. Whether used as a study tool for NCLEX® preparation, or to complement classroom learning, or even to aid in nursing staff orientation, the ATI-PLAN™ Basic Skills DVD is designed for those who learn best in ways beyond simply reading written material.
