

FROM A BESTSELLING CATHOLIC AUTHOR! Latest rules and procedures the Catholic church established for investigations related to the Cause of Beatification and Canonization...updated procedures from Vatican II to 1983 concerning the study of the heroic virtues, the reputation of sanctity, miraculous intercessions, and the writings of these servants of God. Interviews with officials from the Sacred Congregation for the Causes of Saints at the Vatican! This work was reviewed and approved by several authorities at the Holy See. A recent endorsement: I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata... is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza (April 17, 2016).
