

Instead of running to the doctor every time you get sick, you can avoid the illness in the first place with the unique solutions offered in The Doctors Guide to Surviving When Modern Medicine Fails. No matter your current state of health you are in, these easy-to-follow steps will help you elevate your health, prevent disease and live a longer life. The specific strategies outlined by Dr. Scott A. Johnson will promote an environment inhospitable to heart disease, cancer, diabetes, and more! Discover how to eat better, get the most out of physical activity, employ proven dietary supplements as allies in your health, regularly cleanse your body of toxins and harmful chemicals, and balance your mental, spiritual, and emotional health. The Doctors Guide to Surviving When Modern Medicine Fails empowers individuals of all ages to simultaneously realize optimum health and reduce the risk of illness. Through Dr. Johnson's sensible approach and natural medicine practices, readers will discover how to make better choices for their own health and that of their families. Once these practices are established, they will be able to say no doctor, no problem.
